## Meritorious

I bowled my first leagues in 1956 and 1957 at the age of 12 and 13. I did not bowl again until 1966 after I got out of the Navy. I bowled in leagues in Michigan from 1966 to 1973, did not bowl fall of '73 and all of '74 because of my work. Moved to Texas in early '75. That is when I started bowling at Form and GSL lanes.

I have been bowling every year since then. In 1981 I was asked to be a director with the Greater Fort Worth Bowling Assn. I served on the board for 23 years. I was inducted in the Fort Worth Hall of Fame in 2005.

I was president of assn. for the '92 - '93 season. I was named Director of the year in '87 ;88 and 2002. I worked at the assn. part time in the early 2000's. Also took care of youth bowling for 5 years were I ran their youth travel league and their tournaments.

I served on the Texas State Bowling Assn. for 5 -6 years. I also was secretary of the Mid-Cities TCBA travel league for 13 years and president or secretary of many other leagues up until this date.

I bowled 26 National tournaments thru the years and many Texas State Tournaments and lucky enough to win 1st in a single division at state. I have enjoyed volunteering and working in our sport thru out the years.
